Notes on Use

When a juvenile is placed out of the home, a permanency plan is to be prepared. K.S.A. 38-2365. If the juvenile is in the custody of the secretary, the secretary prepares and presents the permanency plan to the court. If the juvenile is placed in the custody of a facility or person other than the secretary, then a court services officer prepares the report. This form is loosely based on the form used by JJA, which is now the Department of Corrections. ASFA requires a permanency hearing within 12 months from the date the juvenile is first removed from the home, and at least every 12 months thereafter.
