You passed one or more worthless checks. I am now the holder of the worthless check(s). This is a list of the amount of each worthless check:

You must immediately pay me the following:

Total	\$ _____

If you do not pay the above total amount within 14 days, I will file a lawsuit. In that lawsuit I may seek the following additional damages: cost of mailing demand, court costs, reasonable attorney fees, other collection costs, and statutory triple damages.
